

Toi Taketake: Belonging Here

This stylish resource was produced by the government to commemorate the 150 years of the Treaty of Waitangi. It provides a brilliant insight into the sweep of Maori-pakeha history from before the arrival of the pakeha, to the early interaction, to life that followed. The resource can now only be purchased from Developmental Publications. There are 17 pictures with accompanying explanations.

Because the resource is in picture form, it can be used by any age-group, and any number of times with the same children.

There are two mini-units available: one for juniors, one for older children. As well, there is a comprehensive eight-page unit.

Price: \$75.00 (post included)
